2008 News Letter / Project funding / Financial Report

Words from the president.

Hello everybody, thanks so much for all your help And support with 2008 events and fundraising. We worked very hard to complete our tasks at hand. This year we achieved a major goal by completing our formation as a 501 C 3 Non-Profit public benefit corporation with the state of California and the federal government. We also planned and completed 2 major fishing events also 1 smaller event to end the year. Kids Day on the bay for 12 special needs children it was very exciting to see those kids catch some big halibut and striped bass in San Francisco Bay. We all had a Blast, I cant wait for next year “ Lets Go 2009 “ All of our events of 2008 were a huge success and we had over 350 kids and families participate. With our 4 projects planned for 2009 we should be able to enrich the lives of well over 500 kids and families here in Solano County and surrounding communities as well.

On the good side of things I would like to give special thanks to our hard working corporate team members who helped organize this years events and fundraising. Most of all our tackle setup chair Richard Scholl. Richard is a dedicated hard working volunteer. We could have not done it without his dedication and commitment to the Kids Day of Fishing team. In addition I would like to thank all of our community volunteers, reserve and active duty members from TAFB, Division 8 Kiwanis members, Lions and Rotary Club members and our 2 event host's this year. 60th Services Squadron, Vaca Valley Kiwanis Club.

Continued.

On the bad side of things. This year on May 4th we lost one of our team members, and co-founder my Pop's Larry Johns. As we all know Larry was a major part of our organization, also a very big part of our community in service as a life member of the Lions, past Lieutenant Governor of division 8 Kiwanis, past President of the Fairfield Kiwanis Club, member of the Kiwanis Club of Suisun City, and a current member of the Kiwanis Club of Vaca Valley. We will all miss Larry's friendly smile and warm heart. His commitment and strength can not be replaced. But we can carry on his vision to help as many children as we can for many years to come. God Bless you Pop's We love you always.
