THEIR JOY IS OUR REWARD

2010

2009 News Letter / Project funding / Financial Report

Words from the president.

Hello to all, Sponsors, supporters, members and friends our 2009 projects and events were a huge success. We planed, funded and completed all 4 major events of the year and served well over 600 kids and families.

#1 Dover park Fairfield Kiwanis, PAL, KDOF derby. We served over 230 children. I would like to say thanks for all party's and personnel involved with an extra big thanks to the Fairfield Kiwanis club as host for the event. What a great job done supplying the insurance for the event, food preparation, clean up and the donation of raffle prizes for the kids. As always **Kiwanis Rocks!!!** Thanks to PAL for the 3 judges and help at the event. Most of all special thanks to our great team effort getting all the things together before and during the event. This event had much more pre event hurdles to leap and of course there's only one runner that could get it all done before the event, our all around go to guy and team leader Richard Scholl, always going the extra mile to cross the finish line. I can never say enough about Richards commitment to our team, just keep that big heart ticking (**We need you Richard**) Lets go 2010. Also thanks to all of our other team members and Volunteers, team work is the formula for success!

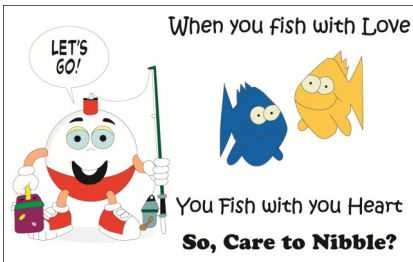

#2 Our 2nd annual Travis Fishing Derby. Again what a great job done, all went just as planed. We served well over 250 kids and families at this event. Thanks to our event hosts the 60th services and youth Program's for promotion, sign up, prizes and the food preparation service and clean up. Wow what a wonderful group of volunteers hats off and cheers to our brothers and sisters out at Travis AFB. Were coming back for a bigger and better annual Travis fishing derby 2010. This event was also a huge success thanks to our combined team efforts and volunteers, and yes again special thanks to Richard Scholl as the primary chair person for this event. Richard again ran the extra mile to make this a successful event and brought in another Gold Medal for Kids Day of Fishing, keep up the good work Richard. Kids Day of Fishing needs great people like Richard and Cora to continue to be as successful as our organization has been.

Continued.

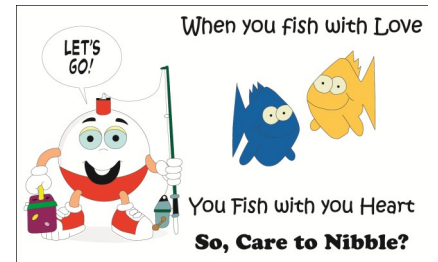

#3 Our 3rd annual Kids Day of Fishing Lake Solano What can I say, our first baby and starting event. This year again we served over 100 special needs and Underprivileged kids and families along with our new event host's the Kiwanis Club of Greater Napa. What another great crew of volunteers and down to earth folks thanks for all the great team work and hosting of the event, supplying the insurance, our judges food preparation, volunteers and clean up again the **Kiwanis Rocks!!!** We are looking forward to another great hosting of our 4th annual 2010 Lake Solano event from the Kiwanis Club of Greater Napa. Again thanks to our team efforts for making this another huge success for the children of our community.

#4 Our 1st annual Kids Camp 2009 This event was a vision of mine and my Dad's to bring Kids Day of Fishing into the world of education and not just another fishing event for kids. Wow what can I say we really put together a great new program for the kids in our community. I have many to thank for helping us put together and successfully start this new and very exciting program. First off to our event host the Fairfield Suisun Twilight Rotary Club. What a great job from Stu Ried and crew these guys and gals are the best!! From start to finish the club did just as they said, as host's of the event they supplied insurance, camp set up, camp tear down food preparation throughout the event, clean up, award presentation and some well needed refreshments for the heat of the day. All I can say is **Rotary Rocks!!!** I'm looking forward to many years working with the Rotary clubs of Solano County and hoping that next year we bring the local Rotary clubs together to make Kids Camp a premier Rotary Club hosted event (lets go 2010) Great job Guys and Gals, Fairfield Suisun Twilight Rotary Club gives great service to the kids in our community. Next I cant say enough for our team members and their staff. Along with the rest of our crew there are 2 gals I cant praise enough first off **Megan Harns (Wow) what a gift from above** to both us and the youth in our community. Megan is not only a walking nature encyclopedia if theirs a children's goddess Megan's it. Megan works with the kids as a group and also one on one, all the kids loved her, the projects and her great program.. **Megan you and your staff Rock the World!!!** I cant wait to work with Megan on next years bigger and better Kids Camp (**Lets go 2010**)

Kids Day of Fishing, Inc

THEIR JOY IS OUR REWARD

Second is **Renee Mayea** - Renee has become a very dear friend to me and a great asset to our organization. Renee is not only a great communicator and committed to help us raise funding for our ongoing projects. Kids Camp became a reality because of out standing team members like Renee Mayea Renee stepped up to the plate and hit several game winning home runs to help make Kids Camp a huge success. Renee put together several projects for the kids at the camp and she also stepped into some awful big shoe's being such a small gal, was by taking on the jobs of our go to guy Richard, Rich could not attend this event because he was bringing in a new team member and future angler into the world his new grandson and fisherman apprentice. Congrats to the Scholl Family!!! Back to Rey, without Renee I could not halved pulled together all the pre event preparation that we needed to make kids Camp the success that it was. I would also like to give a big thanks to one of her office gals at Pacific Rim, Jessika Jones for all the extra effort getting together our picture CD and support for next years 2010 kids camp and their x-mas Fundraiser project **the Pacific Rim Crew Rocks!!!**

In addition I would also like to give special thanks to my brother Mark Johns, Mark not only helped set up the program area at the park he also keep the security of our fish plant and maintained security through out the event, along with helping us tear down and clean up the entire event area. Hats off to Bait Master Mark for another well baited hook and another one in the box, **Job well done!!!**

I also would like to give a special thanks to Lourdes and her husband and all the other team members and volunteers that made our first Annual Kids Camp a huge success. My vision is to see many more annual Kids Camps for many more years to come. Another safe journey threw rough sea's and back to Port. **Job well done Crew !! (Lets go 2010)**

All I can say is wow what a great year of projects for the kids. We all have to give our self's a big pat on the back for our team efforts and hard work.

That all said I have one more **huge Thank you.**

To our wonderful sponsors, supporters and members With out your continued support of our organization we could not continue to enrich the life's of so many Children and families threw out our communities.

Our next job at hand is very important to the success of our 2010 projects. We must all work together as a team in our fundraising efforts. I know its very tuff times for us all with the down turn in the economy.

Evan with such bad times in our economy in this last year we were able to raise the funding needed to complete our 2009 projects and carry over \$5000.00 plus to start our funding efforts for 2010.

Remember the key to success is our team work and efforts to bring in new sponsorships, members and volunteers to help at the events.

The best source of information is a quick talk about what we do and then direct them to our web page. **www.kidsdayoffishing.org** I do have cards that are available to members with our contact information and web page address for printable sponsorship and membership applications also all the sign up forms for children to participate in our program.

In addition if they would like the information mailed out to them just take down there info and give it to me and it will be mailed to them.

We have just started our meetings to plan next years events we meet on a by weekly weds day meeting date at 6:00 Pm at 340 Travis Blvd Ste 2 Fairfield. All are welcome to attend we have a open meeting followed by a short business meeting.

Thanks again to all of you, you make this organization shine bright on our community.
