2011 News Letter / Project funding / Financial Report

Words from the president.

Team work is the key to success! "Lets go 2012"

Hello to all Sponsors, Supporters, Members and friends.

All I can say for our 2011 events is **110%!!!**

We achieved all of our goals for the year including, most of all, keeping our cost's down.

Again with the bad economy and continued decline in project funding we successfully completed all 5 events and served well over 600 kids and families including in this years Kids Camp, Troop 100 Boy Scouts.

#1 Fairfield Fishing Derby Earth Day Celebration.

We had a great event with 318 kids signed up for the derby, and with recognition from City of Fairfield, we brought over 1000 people to the Earth Day Celebration.

We gave out well over 200 rods and reels. We also emptied out our donation stations gear as well.

Special thanks to the Kiwanis Club of Fairfield for providing insurance for the event, prize gifts for the raffle, and some great volunteers at the event. The Kiwanis Clubs as always Rocks helping the youth in our communities.

Big thanks to the City of Fairfield and the Earth Day folks.

This year I want to give special thanks to all of our volunteers, and truly in recognition of our #1 member 5 years in a row, Richard Scholl. In addition special thanks to Rachel Rochester for stepping up and running our donation station Rachel's hard work and dedication helped us raise well over \$500.00 in donations at the event.

We picked up a new member this year! Phyllis Mitchum has joined us as our event sign in chairwoman, Great Job Phyllis! Keep up the good work.

Again thanks to all who volunteered at the event and helped us make the 2011 Earth Day Fishing Derby a huge success and enriching the lives of over 318 kids and families. "Lets Go 2012"

#2 4th Annual Travis Fishing Derby at the TAFB Duck Pond.

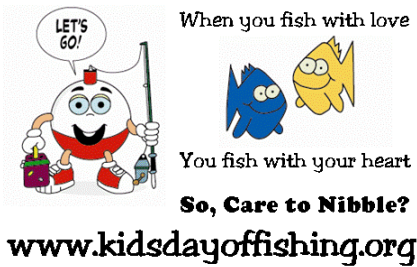

Thanks to the 60th Services and Youth Programs at the base; we kicked off another great fishing derby.

The weather was a bit chilly this year to say the least, cloudy, windy and cold. Even with the cold weather we had almost 200 kids show for the derby. At the event we gave out all the gear and tackle we had and again, the 60th Services and Youth Programs did a great job. They supplied food drinks, drinks, volunteers, prize gifts for the raffle and pre registration of the kids. In addition, the squadron also donated monies to help with the fish plant. This year the fish did not hit the bait as well as they did last year, but lots of fish were caught, and as always I had the joy of helping many kids catch their first fish.

Again I cant say enough for the volunteers at the base and yes, as always our local UPS center drivers headed by my dear friend Reggie Powell came to the plate and hit a home run helping us out working with the kids.

And special thanks, to Richard Scholl he did great job of coordination of the event. Richard you're the best and I just don't mean as a friend. Keep up the good work Rich. You are greatly appreciated.

Thanks to my brother Mark Johns as always, the bait master, he masters the bait and works tirelessly from the beginning to the end of the events.

Thanks to all volunteers and members for another great event at the Duck Pond Travis AFB. See ya next year for the 5th Annual Travis Fishing Derby "Lets Go 2012"

All I have to say about this years Kids Camp **110% Plus** Job well done! we achieved all of our goals with 35 kids along with Troop 100 Boy Scouts as volunteers, and great volunteers they were! Your volunteers were great working with the scouts setting up and tearing down the camp. Rotary Rocks! as always. "Lets Go 2012"

Richard Scholl, again what a amazing team member. I can truly say the camp was a major success because of members like Richard. Rich is always there from start to finish. His continued dedication and extra efforts truly make him our #1 team member 5 years in a row (3 cheers for Rich) .

This year I did something special for Rich because of his close friendship and dedication to our organization and plain old 'True Grit'. Richard was rewarded with a custom built Rod built by legendary rod builder, Paul Landier, along with his favorite brand of reels, Shimano. Richard you're the best in friendship and heart, I love you and Cora both "Lets Go 2012"

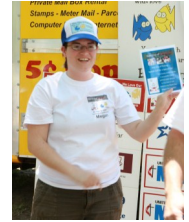

Special thanks to Lourdes Hernandez, L.'s dedication and commitment to our team has been Invaluable. She loves working with the kids and does a great job with projects that she brings to the camp. In addition to L. her husband Ron also volunteers at our events. Ron, thank you, You always step up and help out to the end.

A special thanks to T.Rey Tsosie and Ray JumpingBull. These guys have volunteered for 2 years And are always on hand to help wherever support is needed.

Megan Harns, all I can say is what a treasure to the world Megan is, especially for the youth in our communities. Megan has been a "Pot of Gold" to Kids Day of Fishing. She is a gift that never ends and never stops giving. Megan's dedication has empowered our Kids Camp as a premier youth program. This years 3rd annual Kids Camp was the best yet; with better yet to come. Megan worked with both the kids in our program and B.S. Troop 100 to help them complete their requirements for 2 complete merit badges. Mags you are the best not only in service to the youth but in friendship and heart. Kids Day of Fishing Kids Camp could not be a premier program without your dedication and commitment to our program. Lets make next years camp the best yet to come. "Lets Go 2012"

A Big Special Thanks to Joel Brown - United Methodist Men's Group President, Donny Homer - Troop 100 Scout Master for bringing the Scouts in to help with the camp. These young men were great helping with setting up the camp, helping us with the kids projects and tear down of the camp and clean up. The troops worked until the end, all I can say is, what great team work. Team work is the key to success. For there efforts, Kids Day of Fishing assisted their badge master to help earn 2 complete merit badges for all participating scouts. In addition all of the scouts were given rod and reel combo's and at our award presentation each scout received a tackle box full with tackle. Donny you and the troops did a great job! lets make next years camp even bigger and better "Lets Go 2012"

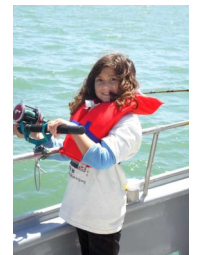

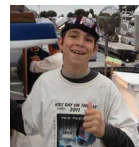

Special thanks to all the other volunteers and guest's at the event this years kids Camp Rocked. Special thanks to the 60th services at the base for the equipment donation of the tents, sleeping bags, big ice chests and the event canopies.

#5 Kids Day on the Bay for special needs children

This years bay trip as usual was a success. We had a full boat load of happy kids and parents. This years grand prize winner for biggest fish was Cynthia Chavez, Cynthia was awarded a new fishing rod and reel set up, tackle box full of tackle and \$50 in cash for her prize catch. This year we also had a drop dead last prize for never quitting it went to Liliana Miller. Again I think we have made fisherman and friends for life.

Special thanks again to Captain Harry Garabedian for not only hosting the event, but for also sponsoring the event. Captain Harry again donated the \$500.00 fee for the trip back to Kids day of Fishing. 3 big cheers for captain hary and deck hand Tom! for giving these kids a trip of their life, a time that they will never forget. Their Joy is our Reward. "Lets Go 2012"

Our Vision For The Future.

Evan as the economy stands still, we must not. We must push forward to serve the youth in our communities. We need to help build a better future for our kids. We must all work hard to help guide our youth to success and to live a good rewarding life as adults. We need to help our youth build self-confidence and life skills. We need to enrich their lives and build a strong sense of community within them.

In the upcoming years, we hope to continue to have 5 events each year, making them better and better as we grow. Remember the best tool we have for success is team work, we must work united as a group of dedicated volunteers.

We must all stand together in our goal to help raise funding and bring in new members and sponsors to strengthen the foundation of our organization and increase the pool of volunteers to help us at the events.

Keep up the great work crew and Lets Go 2012 and beyond.

Special Thanks to our event photographers and Kids Camp Photo's By Cordetta Spells & Laurie Gaines
