Team work is the key to success! "Lets go 2013"

Hello to all Sponsors, Supporters, Members and Friends.

Our 2012 season again was a huge success for the kids in our community serving well over 600 Kids.

We achieved all of our goals for the year including, most of all, again keeping our cost's down.

Our fundraising came in a bit slower this year but again we raised the needed funding to complete the season and carry over a good reserve for the 2013 events.

Our 5 events included the Fairfield Kids Fishing Derby Co-Hosted by the Fairfield Kiwanis Club. The Travis AFB Kids Fishing Derby Co-Hosted by 60th Services and Youth Programs Travis Air Force Base. Kids Day of Fishing Kids Fishing Derby Lake Solano Park Co-Hosted by the Kiwanis Club of Greater Napa. Kids Camp Lake Solano Park Co-Hosted by the Fairfield Kiwanis Club. Kids Day on the Bay Co-Hosted and sponsored by Seeker Sportfishing.

This year we also had our first fundraiser event at Winter Hawk Winery and raised a good amount of funding.

Thanks to the City of Fairfield we were able to have the Fairfield Fishing Derby without the Annual Earth Day Celebration. The City of Fairfield helped us gain new sponsorship to help pay for the added cost of having the event. The new sponsors were the Fairfield Police Officers Association POA, PGE and Pacific Sanitation.

The Fairfield Police Officers Association in addition supplied a BBQ Lunch served to the kids (Great Job) The Fairfield Kiwanis Club did a great job with volunteers and supplying Insurance for the event along with gift prizes for the kids. Community Service at it's Best! (Serving the Children of the World) Kiwanis

Our Members and volunteers as always did a great job setting up, running the event and clean up at the end of the event. Team work is the key to success (Great Job Folks)

The Travis event was a bit more of a challenge this year lots of extra work but also was a huge success.

This years event was moved from the Duck Pond to the Travis AFB Gulf Course Pond.

The fishing this year was a little bit challenging but we did have lots of fish caught and a bunch of very happy kids and families. This year we were also awarded a special gift plaque from Team Travis from the Wing Commander and 60th services :

Our last event of the year was Kids Day on the Bay in the memory of a dear friend of many of us Paul Landier. Paul lead us to a great day of fishing for the kids. The day began with a very slow bite in the bay so Captain Harry made the move to go out the Golden Gate and up the coast. The weather was a bit ruff so we had to stop short and fish a hole just off the fort and sandy beach. The bite started off very slow but the kids did start catching Rock Fish, having lots of fun and also getting to see the ocean and not just inside the bay it was a real treat the kids will never forget. A little sea sickness did come on so Captain Harry decided to make a move. We went just outside the Golden Gate Bridge and had a good steady Rock Cod bite and when we made the last drift called by Captain Harry, Jack Pot Little Jimmy Stratton boxed the Big Fish Jack pot winner a nice Big Ling Cod. Congrats Jimmy he won the prize \$50 in cash a serf casting rod & reel combo and a tackle box full of tackle.

A very special thanks to Captain Harry and deck hand Tom for a treat the kids will never forget. In addition Thank you Captain Harry for donating the \$500 charter fee back to Kids day of Fishing. Harry you and the New Seeker Rock!!!!

Our last project of the year was a fundraiser at Winter Hawk Winery. Special thanks to Alvina Sheeley for setting up the fundraiser we raised over \$1000 in funding (Great Job) At the fundraiser we did just as a derby gave out fishing gear and prizes to all the Kids they just had to fish for them out of a fish tank set up by Lourdes and Phyllis (great Job Gals) the kids had a blast. Special thanks to Luisa Wade-Robinson for coming out and volunteering and all the others who helped out at the event. (lets Go 2013)

Winter Hawk Winery is a great place that supports lots of organization like ours. Thank you Winter Hawk Winery We will be back next year with high hope of more promotions to get the folks out at the event. (Lets Go 2013)

### My Vision For Kids Day of Fishing.

It all started as a thought from my Dad for me to take up some kind of community service, and Kids Day of Fishing was born and put into action, and now we are in year 7 and our organization has served well over 4900 Kids. We started off with just one event and now we do 5 events each year that's an achievement we can be proud of.

Our fund raising has been a bit challenging the past couple of years but because of the support of our members and sponsors along with community we have always been able to complete the season and carry reserve over for the next year. In this next year we plan to have the same 5 events along with our fundraiser event at the end of the year.

With your continued support and funding we will continue to serve many more children here in our community . As for our members we must all remember, it is a team effort and to continue the program we must all come together to help raise the needed funding for each year.

My thanks again to all our members, supporters and sponsors of our organization. With out you, we would not be. (Lets Go 2013)
