THEIR JOY IS OUR REWARD

## 2013 News Letter / Project funding / Financial Report

### Words from the president.

Team work is the key to success! "Lets go 2014"

Hello to all Sponsors, Supporters, Members and Friends.

Again after our 7th full year of operation as a non profit organization we funded and completed all five planed events.

Our five 2013 events included:

The Fairfield Kids Fishing Derby Co-Hosted by the Fairfield Kiwanis Club.

The Travis AFB Kids Fishing Derby CO-Hosted by 60th Services and Youth Programs Travis Air Force Base.

Kids Day of Fishing Kids Fishing Derby Lake Solano Park Co-Hosted by the Kiwanis Club of Greater Napa.

Kids Camp Lake Solano Park Co-Hosted by the Fairfield Kiwanis Club.

Kids Day on the Bay Co-Hosted and sponsored by Seeker Sportfishing.

This years project funding started off slow but with your continued support we archived are goal and raised the needed fund-ing and served well over 900 kids and families.

At the Fairfield event we had over 425 kids what a great event. The Catfish this year was the hit of the day the biggest fish was over 5 pounds on the other side the Bass bite was really slow until the end of the day after the derby ended. The Fairfield event is healthy for the pond and great for the community all year long.

I want to give a big thanks to the Fairfield Kiwanis Club as our Co-Host service group they did a great job as always. In addition the Fairfield Police officers association again preparing a barbeque lunch for the kids.

Thank you Mayor Harry Price the City of Fairfield along with Esther Blanco and the Earth Day crew great Job...

I cant say enough for our volunteers, team members, family and friends and our donation station workers they did a great job and raised more funding than we have ever raised at the Fairfield kids fishing derby. Special thanks to Richard Scholl, Rich did a great job with all the pre event planning and at the event.

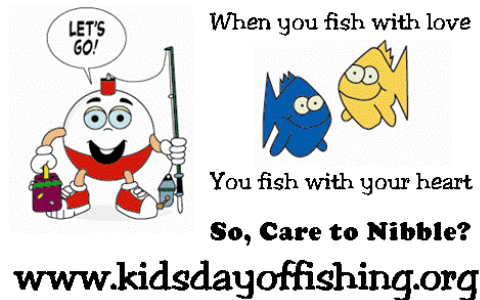

Thank you UPS Cordelia Center for your volunteers through out the year at all 4 events.

In addition special thanks to Joel Brown and the men's group quartet of singers for opening the derby with the National Anthem.

The Travis AFB event this year was held at the base golf course just as last years event. The good news this year was the preparation from 60th Services and Youth Programs in preparing the pond area so that we could do both the sign up and event right at the pond along with the barbeque lunch served by 60th services and volunteers. We had a good 300 Kids show for the event, lots of happy kids and families the base folks are always the best.

We started off the derby with the National Anthem sang by my good friend Joel Brown, thanks again Joel. The fishing started off a bit tuff just like last year but did come on through out the day. I think the biggest challenge fishing the Gulf Course pond is the weed infestation causing the fish to go under the weeds. Hopefully next year we can resolve the problem at least make it less weeds for the kids to fish more successfully.

With all that said thank you 60th Services and Youth Programs for doing such a great job of coordination and implementation of the event. Travis team Members are the best in service and commitment.

Again our members and volunteers did a great job of setting up, running the event and clean up at the event ending. See you next year Brian and Crew you Rock!!!!

Kids Day of Fishing event at Lake Solano Park again the Kiwanis Club of Greater Napa did a great job of helping out at the event, blanket Insurance for the event lots of wonderful volunteers, great cooks and servers for the BBQ lunch. Thank you so much for your continued sponsorship and service to the kids at the event, and to our organization. Community Service at it's Best!

This year the event went just as planned the fish bite was very good and the Catfish bite was excellent the only big change to the event was the prizes at the end of the event this year we gave each child a backpack and had a grand prize drawing for both a Boys and Girls bicycle donated to us from Lisa Ty IHOP Fairfield. Thank you Lisa..

Our members and volunteers did a great job as always setting up, running the event and clean up at the end. Commitment and dedication from all our members and volunteers empowers us to be a great organization. A Big Special thanks again to all the volunteers from the Cordelia UPS Center and Kiwanis Club of Greater Napa.

Kids Camp this year again was a huge success we had 30 kids signed up and 15 Troop 100 boy Scouts attending the event along with our members, volunteers the Kiwanis Club of Fairfield, Megan Harns & crew and troop 100's staff. We added a couple of new projects to the event this year and the kids really enjoyed them. The event started off a little slow but when all of volunteers were in place things went smoothly. This year we had lots of Kiwanis club members show up in shifts to help with the food preparation and service, Great Job what an outstanding service group. Special thanks to Grace Hindes and her family for all of our cooking needs though out the event. Megan and her staff again did a great job with all the projects and games she was able to keep the kids busy from start to finish of the event great job Megs and crew. On the fishing day after my fishing presentation we had a good day of fishing with all the kids catching fish and having fun. After fishing we enjoyed a presentation from the Solano County Sheriff's office with officer Mike Waller and his Dog Richter. Thank you again Mike and the Solano County Sheriff for the show the kids loved it as always. Special thanks to troop 100 boy scouts for setting up and tearing down the camp along with lots of volunteer working with the kids. Our members again from start to finish did a great Job and made this years camp a major success. Thank you and remember team work is the key to success.

Kids Day on the Bay this year was fantastic Captain Harry took us to a special spot under the Golden Gate Bridge to Rock Cod fish. The kids caught over 200 fish and Little Adrian one of our chair children boxed the big Ling Cod for the Jack pot fish and grand prize, Christopher also one of our chair children won Drop Dead last and a prize. This trip was held in the memory of Roger Ardans and his sprit must of helped lead us to this harvest of fresh fish. Every body on the boat went home with a big bag of fish and again Kids Day on the Bay was a huge success.

A very special thanks to Captain Harry and deck hand Ivan and Rob for a treat the kids will never forget. In addition Thank you Captain Harry for donating the \$500 charter fee back to Kids day of Fishing. Harry you and the New Seeker Rock!!!!
