

Our vision looking Forward

Wow after another great season of events next year we go into our 9th full year of service to the community. Our hard work and team efforts along with are sponsors, supporters has made our organization stand as one of the top service groups in our community. Each year we serve well over 800 kids and families along with assisting other service groups with their projects. Next year is the same we plan on having our 5 events April, May, June, July and August. Fairfield Kids Fishing Derby - Travis AFB Kids Fishing Derby - Lake Solano Kids Day of Fishing - Kids Camp Lake Solano - Kids Day on the Bay San Francisco Bay. With your continued support we will carry on our mission enriching the lives of special needs children and kids in our community for years to come. Thank you again for your support and funding Lets Go 2015.

“Their Joy is our Reward”

2014 News Letter / Project funding / Financial Report
Words from the president. Team work is the key to success! “Lets go 2015”

Greetings all sponsors, supporters and members let me start with a big thanks for all your support and funding for this years events our events were truly a huge success and we served well over 800 kids and families. This year we had the honor of holding our first event in the loving memory of a very special young man Robert Orlando. Robert was lost to us in a very tragic car accident 8-26-2013 the night before starting his last year of high school coming home from a fishing trip, Robert loved to fish and the outdoors along with working with kids and others. His passion and love for fishing is how his memory came into our hearts and souls forever. I was contacted by his brother Christopher at work after I confirmed to him I was Capt. Mike and the fishing program his first words were, my brother just died. That hit my emotions very hard and we shared several minutes of him asking me about our organization and how it benefits kids and families along with memories of his brother and my mother. Christopher than said, I found the place, its ok I have to go and hung up the phone. The next day we started getting Pay Pal donations the donations just keep coming In with the message in loving memory of Robert Orlando. Than I had the honor and pleasure of meeting his family, first his Grand Father Winslow Moore with a very touching email telling me that I just lost my grandson and that he wanted to donate some fishing gear to us in his memory. In the coming days I and Winslow arraigned to meet and he asked me is all right that he bring his wife Edda Moore and Anna-Maria, Roberts mother with him because they would like to meet me in person and of course I replied yes I would love to meet the family. Winslow, Edda, Anna-Maria and Christopher all came to the store and shared Roberts wonderful memories with me that’s when Kids Day of Fishing and the Orlando Family became a family united together. I asked Anna-Maria if I could name this years Fairfield event after and in honor of her son Robert she replied yes and the Derby was held on April 26th 2014.

Fairfield Robert Orlando Kids Fishing Derby

The event was a huge success we had over 400 kids sign in to the event and the Catfish bite was off the hook unfortunately the Bass bite was very slow but all the kids and families went home with smiles on their faces and a most of them with fresh fish to fry. The Orlando Family was all in attendance along with a lot of Roberts classmates and friends we also had the pleaser of a talented young lady Montana Rowson singing a special song she wrote for Robert and his family (Your Still Here) Joel Brown from the United Methodist Men's Group sang the Star Spangled Banner and State Assemblyman Jim Frazer called the derby to start.

Thanks to our members and volunteers we all did a great job organizing and running the event from set up to finish and clean up. A big special thanks to the UPS Center folks and the Fairfield Kiwanis Club for volunteers, Judges and prize gift donations. Lets make next years event even bigger and better Lets Go 2015.

God Bless you Robert and the Orlando Family we love you.

Travis Air Force Base Kids Fishing Derby

Again this year the 60th Services and Youth programs did a great job at the golf course pond. The area around the pond was cut and cleared for easy access around the entire pond the only real problem the kids faced was the weeds in the pond hopefully the weed problem will be solved next year or even better the Duck Pond get fixed and the derby held there. We had well over 200 kids show for the derby the weather was great and this year the Bass bite was off the hook all the kids caught fish even with the weed problem. I think all of our combined fish plants over the year has finally paid off and the golf course pond has lots of fish in it along with a self sustaining fish spawn. Our combined team work from our members and volunteers along with the base personnel made this years Travis event a huge success. Thank you all, lets make next years event the best ever Lets Go 2015.

Kids Day of Fishing Lake Solano Park

Our signature event that started Kids Day of Fishing. This years event was held in the memory of James Quarry and was another fantastic day of fishing and fun with a big group of happy kids and families. Both the Catfish and Bass started off slow but came on the bite as the morning grew, with lots of kids getting limits of fish. Special thanks to our event co-host group the Kiwanis Club of Greater Napa as always they get a good group of great volunteers for the event. Blanket insurance from the club, food preparation, food service and our 3 judges for the event. Thank you UPS Center volunteers Big Tom, Brother Reggie , Chris Verano these guys are always there for us and that’s not just to deliver packages its to deliver service to the community. Cant say enough for our group event planning, pre event prep and running the event smooth and sweet. Great job guys well done and big thanks for a great event we served over 100 kids. Lets Go 2015.

Kids Camp Lake Solano Park

This event is always a very special event its not just a fishing derby kids camp is a educational program with the kids learning about the ecology, ecosystem and fishing. We have lots of fun projects and games that keep the Kids busy from the start to the end of the event. We also have troop 100 boy scouts that attend the event the troops help us with set up and tear down of the camp and as volunteers for their help at the camp we work with the troops who need their merit badges for fishing and ecology and award them with gifts and a prize. This year we had 35 kids registered for the event and 10 to 12 scouts about half the scouts needed their merits and all scouts achieved their goals for the badges. A big special thanks to troop 100 and their leaders, you guys did great a job as always and stayed all the way to the end of the day to help us clean up the event area. Our event co-host group was the Fairfield Kiwanis Club blanket insurance for the event food preparation and food service along with prizes for the kids. Thank you Kiwanis Club of Fairfield what a great job you Rock! Megan Harns what a great joy it was working with Megs again this year Megan always rises to the occasion and coordinates the event from start to finish along with staying with me to do the final clean up. Thanks Megs we all love you to death. Again Richard was the top dog for the year and always came threw in the pinch his pre event preparation and true grit is why our events are such a success year after year, we love you Rich. This year we had a few glitches at the beginning of the event but pulled it together like a true team, the event ended with a bunch of happy kids and families along with our community fish fry. Thank you all members and volunteers for a job well done lets make next years camp bigger and better Lets Go 2015.

Kids Day on the Bay

Kids day on the bay is always a special treat its for 10-12 special needs children along with to 2 family members for each child. This years trip was just like last years we had a great bite of Rock Cod and a couple of nice Ling Cod we fished just inside and out side of the Golden Gate Bridge and just as always Capt. Harry put us on the fish. Thank you Capt. Harry you guys are great New Seeker Sportfishing Rocks! Our grand prize jackpot fish winner this year was a blind child Rebecca Chen catching a nice keeper Ling Cod and our drop deed last place winner was Malakai Luna they both received new fishing gear and Rebecca also a \$50.00 jackpot that she donated back to Kids Day of Fishing. Thank you to all of our members who volunteered for the event. Remember folks anybody who is thinking of a charter boat trip give Capt. Harry a call he always supports the special needs children and his trips are always top notch. 510-654-6040 Lets Go 2015.
