

Our vision looking Forward

Wow after another great season of events next year we go into our 10th full year of service to the community. Our hard work and team efforts along with are sponsors, supporters has made our organization stand as one of the top service groups in our community. Each year we serve well over 800 kids and families along with assisting other service groups with their projects. Next year is the same we plan on having our 5 events April, May, June, July and August. Fairfield Kids Fishing Derby - Travis AFB Kids Fishing Derby - Lake Solano Kids Day of Fishing - Kids Camp Lake Solano - Kids Day on the Bay San Francisco Bay. With your continued support we will carry on our mission enriching the lives of special needs children and kids in our community for years to come. Thank you again for your support and funding Lets Go 2016.

THEIR JOY IS OUR REWARD

2015 News Letter / Project funding / Financial Report

Words from the president.

Team work is the key to success! “Lets go 2016”

Greetings all sponsors, supporters and members let me start with a big thanks for all your support and funding for this years events our events were truly a huge success and we served well over 800 kids and families for our 9th full season. This years news letter will be just a brief message I have lots of things going on with my personal and business life here at Mail Mart Plus and getting things done timely has been difficult. I have 3 options one of will happen to Mail Mart Plus one is for me to sell the store the second is to relocate to another location and last is the possibility of closing down Mail Mart Plus and its operations.
Please do not let any of these things that happen effect your support of Kids day of Fishing we as an organization are still together and going strong our 2016 events are already being planned and funded.

Our events this year were a big success starting with our annual Robert Orlando Kids Fishing Derby at the Fairfield Civic Center Pond we had over 400 kids show for the event it was a slow start but the Catfish came on the bite as the morning went on and the kids finished with a derby winner Catfish over 6 pounds. Special thanks to the Kiwanis Club of Fairfield for co-hosting the event supplying insurance and prizes for the kids raffle. Special thanks to the Fairfield Police Officers association for feeding all the kids and staff. Special thanks to our members, supporters and volunteers as a group we put on a great event. Lets go 2016.

Travis AFB Kids Fishing Derby again this year the base personnel were great getting the golf course pond area cleaned and ready to fish. This year they started a pond cleaning project and a lot of the weeds were removed from the pond it made it lots easier for the kids to fish and less places for the fish to hide. The Bass bite started off slow like last year but ended very well with most kids catching fish. Hats off to Brian and his crew they did a great job again. Special thanks to our members and volunteers your team efforts made the event a huge success. Lets go 2016.

Lake Solano Kids Day of Fishing 100 happy kids and families as always this event rocks. We had a good strong Bass bite thought out the event but just a couple of Catfish due to a problem with our new fish ranch guys Eric sold his ranch and had no control over the fish but did make it up at our Kids Camp delivering over 980 pounds of huge catfish some of that will be used for our up coming fish fry fundraiser. Again thanks to our Event co-host group the Kiwanis Club of Greater Napa and our team members we had a great event. Lets go 2016.

Lake Solano Park Kids Camp this years event was quite the challenge as we all know California was ravaged by wild fires due to the severe draught conditions. Our local area was effected by the Wragg Fire near Lake Berryessa and came very close to destroying Lake Solano Park by just a couple of miles.

Kids Camp Lake Solano Park

Thank God the camp was speared. Kids Camp was cancelled due to the fire and the park was used as a command post base camp for the fire crews and Cal Fire. Fox 40 News came to Mail Mart Plus and did a news cast on the Six o'clock news it can be viewed at this link if you missed it.

<http://fox40.com/2015/07/24/wragg-fire-forces-non-profit-to-cancel-annuasl-fishing-camp/>

We had everything planned and coordinated to be the best camp yet with lots of added projects, shows, instructors and volunteers what a let down it was for the fire to break out just thank God all the folks in the area were safe. The good news is we were able to reschedule the event the next month and even though we lost some of our most important staff and instructors we pulled it off and had a great event. Thank you all the Kiwanis Club of Fairfield our members and all the other volunteers that helped out at the event. Special thanks to Grace and family our master cook the food was fantastic. Thanks again guys one rocking crew. Lets go 2016.

Kids Day on the Bay

This years kids day on the bay was a great day of fishing with Captain Harry and the New Seeker as always Captain Harry is a master at finding the fish and loves working with the kids. This year we had a special treat from Captain Harry he was working the area of the Golden Gate Bridge very near shore in real fast moving water and tides but with his mastered skills at the wheel house he was able to hover the boat over a spot full of Rock Cod like the tides and drift was not even there. We know the story's ending FISH ON! FISH ON! The kids had a blast hauling up fish one after another just a typical day of fishing on the New Seeker limits limits limits.

Remember folks if you would like to have a great day of fishing in the ocean give Captain Harry a call
