This year we had another very successful season and served over 750 kids and families. Our year kicked off with **The Robert Orlando Fairfield Kids Fishing Derby and the Fairfield Earth Day Celebration** .

Our members, volunteers, Kiwanis Club of Fairfield, City of Fairfield and Earth Day staff, Fairfield Police Officers Association efforts all contributed to a very successful event and served over 400 kids and families.

This year we stocked the pond with over 800 pounds of Catfish the Catfish bite was off the hook and the kids caught lots of real feisty big fish. The Fairfield Police Officers Association served a barbeque lunch to all the kids. Kiwanis Club of Fairfield provided insurance, volunteers, prizes and our Judges for the event.

All other event needs provided by our organization KDOF they included rods reels, tackle kits, bait to fish, pond stocking, derby shirts, trophy's, permits and all other needs. All is donated to the kids for their continued use.

Thank you all we had a great event this year lets bring 2017 over the top for these great kids in our community. " Lets Go 2017 "

Our annual Travis Air Force Base Kids Fishing Derby was next as always the 60th Services, Youth Programs and Base members did a great job. The event was held at the Base Golf Course Pond the Base did a good job of cleaning and weed removal that helped the kids catch more fish. This year we had a weather issue with rain almost all day long but the kids held in like camps catching lots of fish it was the best fishing we have seen at the pond yet. The base provided a barbeque lunch for all participants, prizes, volunteers and some extra funding for the fish plant. We served 200 kids and families stocked the pond with 500 pounds of Black Bass Provided derby shirts, trophy's, rods and reels, tackle kits, bait to fish volunteers and all other event needs. Thanks to all for making this years Travis AFB Kids Fishing Derby another great success. " Lets GO 2017 "

Our program starting and signature event Kids Day of Fishing Lake Solano Park. Great day of fishing Catfish and Black Bass on the bite the Catfish was huge and Bass Feisty as always. Our last full event of the season this year Kids Camp Lake Solano Park.

Along with the Kiwanis Club of Fairfield and Troup 100 Boy Scouts we served 30 kids and families along with all the Troup 100 Boy Scout needing their merit badges for fishing and the outdoors.

Day 1 was full of projects fun and games learning about the outdoors ecology and interacting with the fish. It is also the day that I work with the Scouts getting their merit badges all the Scouts that participated did Receive their merits (Great Job Scouts) Day 2 is our fishing event for the kids. We teach them how to fish and all the different aspects and technics of fishing. The kids fish until noon and then we have our awards and prize presentation along with a Catfish fish fry lunch. The Kiwanis Club of Fairfield is the best they provide insurance for the event, volunteers for food service and prizes for the kids. We serve food throughout the entire event for all participants, rods and reels, tackle kits, bait to fish, event shirts and hats, gift items, awards, project materials, food and drinks, permits and all other event needs. A special thanks to Travis AFB 60th Services for providing us with camping equipment and event set up items canopies and much much more Thank you! All items projects are donated to the kids to take home. Great job and thanks to all!

Notice: Because of funding cost of Kids Camp / Sign up problems / Volunteers needed we have decided not to have the Kids Camp as one of our 2017 projects. We may decide on a possible one day event if funding and resources permits.

Due to lose of funding and the lack of volunteers we decided not to have Kids Day on the Bay 2016. We will see next season. " Lets GO 2017 "
