340-2 Travis Blvd PMB 320 Fairfield, CA 94533 707-425-9792

To all sponsors and supporters of our 2008 Kids Day of Fishing events.

This year our organization had 2 Major fishing events for special needs and underprivileged children, and 1 smaller fishing event for special needs children. Thanks to the combined efforts of our local service groups; Kiwanis, Rotary, and Lions clubs. Along with local community volunteers, our members, the 60th services squadron, active and reserve members from Travis Air Force Base. And your generous contributions and financial support.

Our 3 events were hugely successful, over 350 children and families participated.

The first event of 2008 was the Travis Fishing Derby at the duck pond. This was for special needs children, deployed Military spouses and children, and local community kids and families.

The second event of the year was our 2nd Annual Kids Day of Fishing at Lake Solano Park, kids fishing pond. This event is for special needs and underprivileged kids from 6 to 13 years of age from our local and surrounding communities.

The 3rd, and last event, of this year was Kids Day on the Bay 2008. A day of live bait halibut and striped bass fishing on San Francisco bay for 12 special needs children.

Next year we are planning to expand our events to 3 major fishing events, 1 major Camping / educational / fishing 2 day event, also 1 or 2 smaller projects as funding and sponsorship permits. In addition, your suggestions are always welcome for upcoming community projects to be presented to our Board of Directors for approval.

We would like to thank you from the bottom of our hearts for helping us bring joy and enrichment to the lives of so many children and families here in Solano County. With your continued support and sponsorship 2009 events and projects will also be a huge success for the children of our community.

Sincerely,
Michael Johns
President
